

Girl Guides in your local community have been selling their world-famous biscuits for more than 60 years. But did you know that when you buy a biscuit, you're doing far more than enjoying a yummy treat?

Every biscuit is an investment in supporting a positive future for today's girls and young women.

ANZAC

Girl Guides Australia are part of the international Girl Guides movement of 10 million girls in 150 countries. We are inclusive of all abilities, encourage diversity, have no religious affinity and embrace all faiths and cultures. Our mission is to empower girls and young women to become confident, considerate and responsible community members.

EVERY LITTLE BITE MAKES A BIG DIFFERENCE

Our annual Biscuit Drive is a celebration of the diversity, confidence, empowerment and friendship of Girl Guides. Much more than just a biscuit, your purchase will help fund programs and activities that help our members develop leadership and valuable life skills so they can reach their full potential in life.

When a community member buys Girl Guide biscuits, they are buying into Australia's future female leaders.

Funds from biscuit sales enable Girl Guides Units across Australia deliver programs that respond to the issues affecting girls and young women in today's society, including promoting women in leadership, financial literacy, awareness against body image stereotypes and gender-based violence.
